WHERE CAN I USE THIS PRODUCT ?

Used in Car Dealerships, Retail Chains, Quick Service Restaurants, Supermarkets, Airports or wherever an interactive product or service dynamic information display is required.

The ViewTV Silent Salesman has been designed as a sleek professional looking (in any color) remotely updateable (via our " **Playlist** " software), multi-use customizable content zoned touch screen display. Utilized as a sales tool to free up onsite staff resources.

... AND HOW WILL THIS PRODUCT BENEFIT ME ?

With built in Wi-Fi & 3/4G this non-intrusive touch screen can be positioned anywhere to assist customers quickly and efficiently with any product or service you are promoting.

Allow your customers to navigate at will through your chosen (and secured) Websites, PDF's, Images & Videos. Then remotely update one or any of your displays instantly over your network.

CUSTOM COLOR DISPLAYS

As we are the manufacturers of all of our products, we can offer custom powder coated finishes in any color!

BUILT-IN TOUCH SCREEN PC

All ViewTV Network Digital Signage Touch Screen Displays have our industrial content management PC built-in.
