

Video Wall Display Panels

VIEWTV 46" COMMERCIAL GRADE LCD (LED BACKLIT) VIDEO WALL PANELS (2.3MM + 3.2MM BEZEL)

WHERE CAN I USE THIS PRODUCT ?

Used throughout Airports, Stadiums, Churches, Retail Chains, Casinos, Control Rooms, Hospitality Industry and Event Complexes.

ViewTV Video Walls display content in a large format viewable from a significant distance away, while still maintaining **high resolution**, sharp content for closer viewing.

... AND HOW WILL THIS PRODUCT BENEFIT ME ?

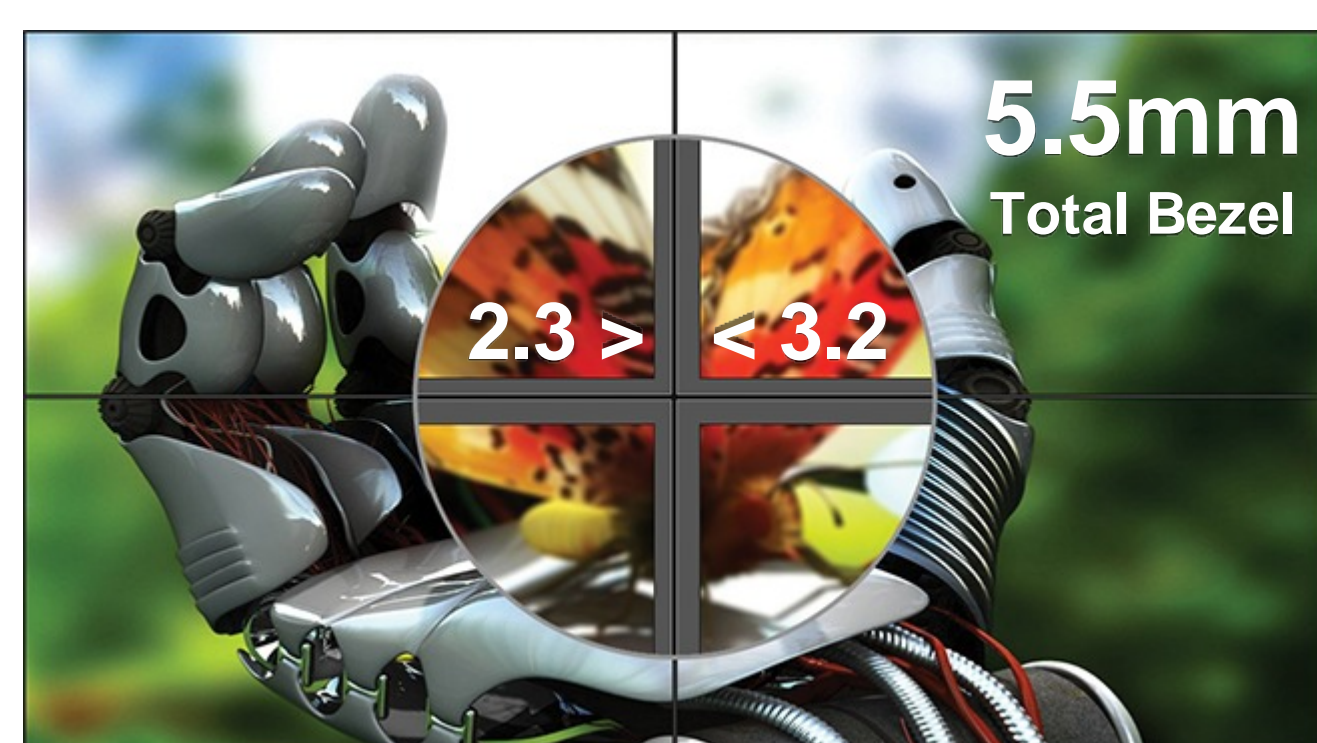

The ability to create unique sizes in **Landscape or Portrait** orientation allows huge flexibility when in the initial concept design faze.

ViewTV Video Walls offer a greater screen area per unit cost and a greater pixel density per unit (higher resolution).

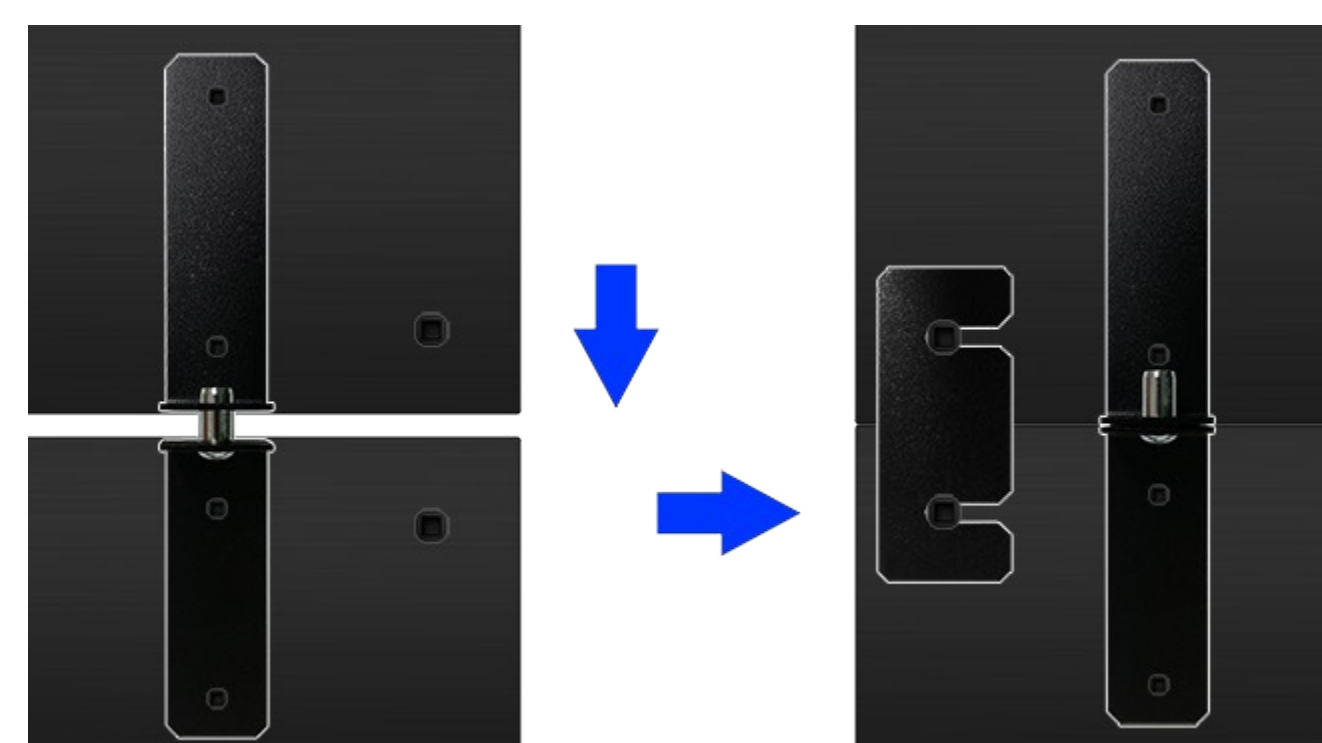

EXTREMELY THIN BEZEL

With our extremely thin bezel panels, your content will look seamless across even the largest video wall. **(2.3mm + 3.2mm)**

PERFECT INSTALLATION !

Custom **6-way adjustable** brackets with Interlocking Locator & Flush Face pins, insure a perfect installation every time

BUILT-IN PROCESSOR

Our **built-in** video wall processor takes care of all the configuration, color balancing and content alignment.

Video Wall Display Panels
